MISSION: INFERNO'S LAIR!

LEGO AGENTS

CRIME CLASSIFIED
TOP SECRET

LOCATION: THE SECRET BASE OF DR. INFERNO, THE GENIUS WHO
WANTS TO WORLD CONQUEROR

DR. INFERNO'S LATEST SCHEME
LOOKS LIKE BEAUTIFUL. WE
DON'T KNOW EXACTLY WHAT
HE'S PLANNING, BUT WE NEED
TO FIND OUT FAST.

THAT'S WHY
WE'VE CALLED YOU
IN, AGENT CHAIN.

WE NEED YOU TO INfiltrATE HIS
LAIR AND RETRIEVE HIS COMPUTER.
THOSE FILES SHOULD TELL US
EVERYTHING WE NEED TO KNOW.

DR. INFERNO'S LEVITRONIC
HENCHMEN
THEY'RE SPECIALLY TRAINED AND
EXTREMELY DANGEROUS.

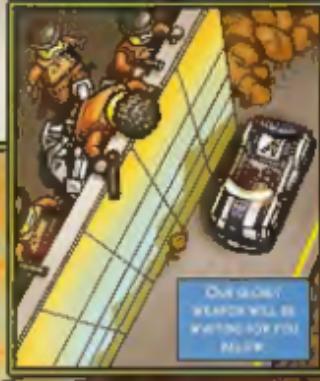

OUR ONLY CHANCE FOR ESCAPE IS IF YOU CAN GET IN AND OUT WITHOUT BEING NOTICED

IN THE 200 MILE
EVEN THAT YOU ARE
PROTECTED, TRY TO GET
TO AN OPEN ROAD

OUR SECRET
REULATOR WILL BE
WATCHING AS YOU
RUN

THE TURBOCAR IS THE
LATEST VEHICLE FROM THE
LAWLESS. IT'S FAST AND
ARMED WITH A WEAPON GUN.

THE 10 MPH-
JETPACK AND RONNIE,
WEAPONS GUN
SHOULD COME IN
PARTICULARLY
SUITABLE IN A ZONE.

We wanted to show you the wicked, super-Po-
Agents speedboat - but the evil Dr. Inferno snuck onto
this page and created a crazy copy of it! Can you spot the 10
differences between the two pictures on this page? ■

SPEED AND POWER FOR THE

FINAL BATTLE!

The Toa have need all the help they can get when facing the evil Makuta - and the Toa Teketevo and the incredible Bokoblin T3 are here to turn the tide for the Forces of Justice! Check them out on this page, then test yourself with some BIONICLE® brainbenders. Answers can be found at www.BIONICLE.com using the Clubcode at the bottom of the page! ■

ROCKHET T3

One of the world's most reliable rockets, Rockhet increases speed and the Pollaru the Rockbunker to the sky. Armed with its sonic spike-projector weapon, Rockhet is in the battle against the Bokoblin T3.

Rockhet is the Toa Nokama's anti-air drone, powered by the energy collected by solar panels. Rockhet is a powerful machine and protected by light-ready armor.

TEKETEVO

It was just a Toa in flight but an army by the Agile Toa Teketevo with cover-bomb, a light and shield to cover the Toa. It's going there to fight them. It's an easy one off if you're armed with a power lance and shield. Sayable, the Toa will struggle to get the Teketevo over the water in the distance, make them struggle with those two items.
